

Fresno Countywide Gang Prevention Council, Southwest Unincorporated Areas Action Team

VISION STATEMENT

We seek to create communities free of gang crime, influences and violence through the collaboration of families, schools, community-based and regional service organizations, businesses, government and law enforcement.

MISSION STATEMENT

Our mission is to prevent gang behavior in our communities through early identification of children and families at risk of gang involvement and intervening quickly with a broad array of effective, coordinated, and properly funded social and educational services made available to families within the communities where they live.
